RE: Schedule for Feasability Study
Allied Paper Landfill, Kalamazoo River Superfund Site Operable Unit 01
Kalamazoo, Michigan

Dear Mr. Weisher:

The United States Environmental Protection Agency (EPA) has received your March 18, 2009 letter proposing that Millenium Holdings LLC (MHLLC) submit the Draft Feasibility Study (FS) on September 16, 2009, instead of the previously agreed upon date, March 31, 2009. Attached to the letter is a schedule that details MHLLC's activities between now and the submittal of the Draft FS.

This letter is to inform you that EPA has approved MHLLC's request to submit the Draft FS on September 16, 2009. If you have any questions about these comments, please contact me at (312) 353-8983.

Sincerely,

A handwritten signature in black ink, which appears to read "Michael Berkoff", is located below the "Sincerely," text.
